December 2009

To Parent/Guardian:

The Cherry Hill High School Guidance Departments will be hosting a Course of Study orientation evening at the district's three middle schools. The evening will focus on graduation requirements (state/district), course selections, placement/recommendations, and information regarding college planning which starts with course selections. If you cannot attend the evening program at your child's present school, please feel free to attend one at another middle school. The Course of Study Guide will be online by mid-January. During the last two weeks of January, high school guidance counselors will be visiting the middle schools to meet with students.

As part of our orientation program, each high school will also host a session in the evening, which will focus on programs unique to each school. Building administrators, department supervisors, and counselors will be available to answer questions. Student-led tours will also be available for parents and students.

You will receive a letter from your child's present middle school regarding the timelines for course selections. If you have any questions, please do not hesitate to contact your child's guidance counselor or the high school guidance office. Thank you and we look forward to seeing you at our orientations.

MIDDLE SCHOOL EVENING PROGRAMS ~ ALL PROGRAMS BEGIN AT 7:00PM

Rosa - January 20, 2010	Snow Date: January 26, 2010
Beck - January 11, 2010	Snow Date: January 21, 2010
Carusi - January 19, 2010	Snow Date: January 25, 2010

As part of our orientation process, we have scheduled open houses at both high schools. Each evening program will consist of presentations by building administrators, tours of the facilities, and opportunities to talk to supervisors, counselors, administrators, coaches, student officers, and club advisors.

HIGH SCHOOL EVENING PROGRAMS ~ ALL PROGRAMS BEGIN AT 7:00PM

High School-West	January 27, 2010	Snow Date: January 28, 2010
High School-East	February 9, 2010	Snow Date: February 16, 2010

Should you continue to have questions regarding course selections, course content, or skills required in various course offerings but cannot make the evening programs, the guidance office is available to assist you.
